

REGISTRATION OF PLAYERS, COACHES, DIRECTORS

IMPORTANT REMINDER

REGISTRATION

As you all know the current registration for all players coaches and directors expires **March 31st 2007** and a new season begins **April 1st 2007**. That means the insurance coverage for those individuals expires March 31st 2007 and is only reinstated when they register.

To be registered your form and cheque for the full amount must be at the Rugby Ontario office. If you are in any doubt or have any questions please contact Fran Mason.

If your registration has lapsed you are NOT insured.

Until you register you cannot practice, participate in exhibition games, or have any events sanctioned.

Please do not delay in attending to this very important matter.

GAP (Insurance)

All of your clubs in the past two months received an invoice for the gap insurance that saw us through the period November 17th until March 31st 2007. The amounts you have been invoiced are due and are about to start accruing interest on the unpaid amounts. To date about 40% of the clubs have paid the remainder are presently outstanding.

Your assistance in these matters is greatly appreciated.

Thanks
